

HOSTAGE TACTICS!

**Saturday, January 27th
1 - 5 pm**

Have you ever thought about what you would do if you were ever in a hostage situation? Would you know how to fight back if you had a gun held to your head, back, or midsection, or if someone you love was in that situation? What if you had your hands or legs bound? If someone was dragging or pushing you? How about if you were blindfolded?

While the possibility of being taken hostage is quite small, it's a thought almost all of us have had! If you worry about being able to fight back and knowing what to do for the situation you're in then this class is for you! This class will give you a variety of tactics & techniques so you know just what (*and what not!*) to do!
